Part of a larger effort

- NIDA-funded R24 program
- **Goal:** To advance the science on recovery community centers (RCCs) to support persons treated with medications for opioid use disorder
- **Specific Aims:**
 - *Engage RCC stakeholders in research-advancing activities* such as seminars, funding, advisory board meetings, and hands-on support.
 - *RCC stakeholders* = anyone who contributes to or can benefit from the support RCCs can provide
 - *Disseminate tools and products* that facilitate research on RCCs

Steering Committee Members

The Steering Committee is made up of scientists, clinicians, RCC leadership and persons with lived experience from multiple organizations and institutions from across the US.

Resources to come:

Funding Opportunities

Please stay tuned for calls for applications:

Funding for pilot studies on RCCs (\$30,000), particularly on persons treated with medications for opioid use disorder

Funding for conference presentations on RCCs (funding would cover travel expenses)

Please email Bettina Hoeppepner (bhoeppepner@mgh.harvard.edu) for more funding information.
